

Embracing Judaism

is a pathway for the adult learner who wishes to discover or deepen Jewish knowledge. In 18 sessions we will provide a journey into Jewish spirituality, thought, ritual and culture. We will also discuss the scope of Jewish history, the meaning of Jewish peoplehood, Jewish diversity and the importance of Israel to the Jewish people.

Embracing Judaism 2025

Whether you want to reboot your Judaism, satisfy your intellectual curiosity or consider Judaism as a new faith, you are invited to delve into the richness of the Jewish heritage.

Participants may join the program at any point and continue into the following year to complete all 18 units.

“ I found the class and to be warm and inviting to newcomers. The rabbis were all patient and kind. I found them to be extremely tolerant and accepting of people and their beliefs. Through this class I found myself falling in love with Judaism.”

“ I found The Embracing Judaism class to be very informative and easy to follow. I particularly enjoyed the way the rabbis pulled our class together like the new family we were beginning to form. ”
